1. Allocation of discretionary funds made available by the principal, including in areas such as: wraparound services for students and families, after-school programs, and school supplies. Discretionary funds are those remaining after a school budgets for district services, partner fees, staff salaries and stipends.

For the 2021-22 school year, discretionary funds have been allocated in the following amounts:

- Supplies & materials: \$5,000
- Field trips: \$5,000
- PD/Conferences: \$5,000

Any transfer or use of additional funds received over the course of the school year will be determined by the principal. If additional funds become available - for example, in late fall after any “true-ups” - TLTs should discuss the possibility to increase discretionary funds in the current fiscal year.

2. School curriculum issues.

Chestnut TAG will use a curriculum framework aligned with the Massachusetts State Curriculum Frameworks. Teachers may be asked to assist in developing new and improved curricula for their own use and that of other teachers in the building. To the extent possible, teachers will be made aware of curriculum changes in advance and have an opportunity to provide feedback.

3. Professional development activities applicable to the school as a body. This does not include individualized professional development or coaching of teachers.

Teachers may be required to participate in professional development activities throughout the school year, including before and after the school day for students, and before or after the school year starts and ends. If possible, at least one week’s notice will be given to teachers before any required professional development activities. Expected professional development activities include those below (please see school calendar for additional details):

- Up to 4 days of additional professional development from July 6th-9th, 2021 (for new staff only) (to be paid by an hourly rate of \$29.10/hour for that time);
- Up to 8 days of professional development and/or staff planning days before the school year begins (August 17-20 & August 24-27);
- Up to 2 days of professional development and planning days during the school year;
- Up to 30 hours of PD after the school day ends for students during the year (“Extended Day”)

4. School calendar.

Please see the attached 2021-22 school year calendar for staff. Any change to the school year calendar is subject to SEZP approval. If possible, at least one month’s notice will be given to teachers before any change to the school calendar. In the event of a change during the year, accommodations may be made for individuals with critical scheduling conflicts on a case-by-case basis. The school calendar will include:

- The total number of school days and hours for students. Required total hours are a minimum of 1330 per year for Middle School students and 1200 for High School students.
- The total number of days and hours for educators, including school days and professional development and planning days. Teachers are required to work a minimum of 1500 hours per year.
- All federal and state holidays.
- Winter break, Mid-winter break, Spring break.

5. Schedule for staff and students, provided that all teachers will continue to receive duty-free lunch and regular student-free preparatory time.

Teachers at each school will receive a duty-free lunch and regular preparatory time.

The standard workday for educators will be 7 hours and 55 minutes. For the majority of educators, required hours will be approximately 7:35-3:30pm.

Teachers will have approximately the equivalent of 5 self-directed preparatory periods per week. These hours will be allocated as evenly across the school week as possible. This self-directed time can be used to plan, grade, collaborate with their colleagues, etc. In extenuating circumstances, teachers may be asked to perform some duties during this time.

Additionally, all staff members are expected to participate in professional development, collaboration activities and/or PLC meetings, expected to be held on 5 days at time (dates TBD), unless otherwise directed by the principal.

In addition to traditional responsibilities and those duties listed above, all staff at Chestnut TAG may be expected to be involved in educational and administrative activities that are necessary to fulfill the mission of the school. These activities may include, but are not limited to:

If possible, at least one month's notice will be given to teachers before any change to the start and end of the school year.

Additionally, teachers new to TAG will participate in four full PD day sessions on July 6th, 7th, 8th & 9th and will be paid by a stipend/hourly rate of \$29.10/hour for that time.
