1. Allocation of discretionary funds made available by the principal, including in areas such as: wraparound services for students and families, after-school programs, and school supplies. Discretionary funds are those remaining after a school budgets for district services, partner fees, staff salaries and stipends.

For the 2021-22 school year, discretionary funds have been allocated in the following amounts:

- Supplies & materials: \$5,000
- Field trips: \$3,000
- PD/Conferences: \$7,500

Any transfer or use of additional funds received over the course of the school year will be determined by the principal. If additional funds become available - for example, in late fall after any “true-ups” - TLTs should discuss the possibility to increase discretionary funds in the current fiscal year.

2. School curriculum issues.

M.Marcus Kiley Middle School will use a curriculum framework aligned with the Massachusetts State Curriculum Frameworks. Teachers may be asked to assist in developing new and improved curricula for their own use and that of other teachers in the building. To the extent possible, teachers will be made aware of curriculum changes in advance and have an opportunity to provide feedback.

3. Professional development activities applicable to the school as a body. This does not include individualized professional development or coaching of teachers.

Teachers may be required to participate in professional development activities throughout the school year, including before and after the school day for students, and before or after the school year starts and ends. If possible, at least one week’s notice will be given to teachers before any required professional development activities. Expected professional development activities include those below (please see school calendar for additional details):

- Up to 7 days of professional development and/or staff planning days before the school year begins;
- Up to 3 days of professional development and planning days during the school year;
- Up to 90 hours of PD after the school day ends for students during the year (“extended day”)

If possible, at least one month’s notice will be given to teachers before any change to the school calendar. In the event of a change during the year, accommodations may be made for individuals with critical scheduling conflicts on a case-by-case basis. The school calendar will include:

- Total number of school days and hours for students. Required total hours for students are a minimum of 1330 per year for Middle School and 1250 per year for High School.

The standard workday for educators will be 8 hours. For the majority of educators, required hours will be approximately 7:20am–3:20pm and 7:20am-4:15pm on Tuesday's.

Teachers will have approximately the equivalent of 5 self-directed preparatory periods per week. These hours will be allocated as evenly across the school week as possible.
